PURPOSE STATEMENT

This symposium has been planned to offer the practicing pediatrician an opportunity to learn about recent advances and state-of-the-art diagnoses and therapy for common problems encountered in daily practice. At the completion of this symposium, pediatricians and other pediatric health care professionals will have enhanced their skills and competence in patient care, medical knowledge, interpersonal and communication skills and systems-based practice.

TARGET AUDIENCE

The program is designed for pediatricians, primary care physicians and other interested pediatric health care professionals

LEARNING OBJECTIVES

At the completion of this symposium the participants should be able to:

1. Identify and describe clinical advances and treatment guidelines in pediatric medicine.
2. Develop new skill sets based on current research in a wide variety of specialties.
3. Understand evidence-based data to support improved outcomes in pediatric healthcare delivery.
4. Delineate new and innovative diagnostic and treatment options for the management of pediatric conditions and complications.
5. Review new drug therapies and regimens in the management of pediatric patients.

ACCREDITATION

Memorial Healthcare System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT

Memorial Healthcare System designates this live activity for a maximum of 13 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nova Southeastern University College of Medicine is an accredited provider for awarding credit hours for the American Osteopathic Association. This activity has been approved for a maximum of 13.0 credits of AOA Category 2-A.

Memorial Healthcare System is an approved provider of Nursing and Respiratory Therapy Continuing Education, CE Broker Provider # 60-1317. Contact hours will be awarded based on attendance on one or both days (Day 1 = 7.5, Day 2 = 5; Maximum 12.5 hours).

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 13.00 MOC points in the American Board of Pediatrics' (ABP) Part 2 Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

DISCLOSURE

In accordance with the Standards for Commercial Support issued by the Accreditation Council for Continuing Medical Education (ACCME), Memorial Healthcare System resolves all conflicts of interest to ensure CME activities are free of commercial bias. Disclosures will be published in the course material.
