## Joe DiMaggio Children's Hospital®

Serving children in our community for over 30 years!

Joe DiMaggio Children's Hospital is one of six hospitals in Memorial Healthcare System. With Memorial Healthcare System delivering nearly 60% of the babies in the region, Joe DiMaggio Children's Hospital serves as the regional NICU and perinatal center, as well as a tertiary/quaternary referral center. The children's hospital provides a robust complement of pediatric health services including heart and kidney transplant, as well as nationally ranked clinical programs for children. We serve over 450,000 families per year, perform approximately 8,800 surgeries and see over 105,000 emergency department visits in 3 pediatric dedicated Emergency Departments. Joe DiMaggio Children's Hospital has several specialty offices including an ambulatory surgery center in Broward County and specialty centers in Broward and Palm Beach Counties.
